Introduction

This athletic handbook is to be viewed as a reference guide for coaches, student-athletes, and parents concerning the policies that govern interscholastic athletics at Sandusky Central Catholic School. It is not intended to be all inclusive. Situations that occur outside these stated rules and regulations will be evaluated using sound reasoning, good judgement, and adherence to the school's core values.

It should be carefully noted that the rules and regulations detailed in this handbook are reflective of official action by the Sandusky Central Catholic School Board of Directors and all the policies will be followed as written.

Interscholastic athletics is a voluntary program. Students are not obligated to participate and participation is not required for graduation. Therefore, participation in the athletic program is a privilege and not a right.

The interscholastic athletic activities offered are valuable in developing the individualized abilities and interests of Sandusky Central Catholic School students. Participation presumes that the students are of good character, meeting both the stated academic and discipline standards.

Geoff Palmer

President/Head of School

Ryan Wikel

Principal (6-12)

Mike Roth

Athletic Director

Toby Notestine

Dean of Students

Charles Lococo

Athletic Director (7-8)

Mission Statement

The primary mission of the Sandusky Central Catholic School Athletic Department is to “Build leaders with Christian character”. We strive to impart upon our student-athletes: integrity, sportsmanship, discipline, teamwork, and self-sacrifice. We are committed to developing well-rounded student-athletes emphasizing spiritual commitment, academic excellence, and year-round physical conditioning.

The Athletic Department through its coaches seeks to create an environment that strongly supports the school’s mission; Strengthening the Body, Challenging the Mind, and Enriching the Spirit.

Philosophy

Interscholastic athletics is an integral part of the total educational program at Sandusky Central Catholic School. Our objective is to provide positive experiences in a competitive environment for each student-athlete to reach their maximum potential through voluntary participation.

Our interscholastic athletic programs offer opportunities to put into practice the Christian values that are the basis of Catholic education. We are grounded in our core purpose to develop the whole student-athlete through connection of the body, mind, and spirit.

Although we strive for competitive excellence, the development of well-rounded, faith-centered individuals, as well as the safety and welfare of our student-athletes, is the primary focus of the athletic programs at Sandusky Central Catholic School. These programs complement the academic and spiritual focus of the school.

Channel of Authority

The athletic director is responsible for all areas of interscholastic athletics at Sandusky Central Catholic School. The athletic director shall work cooperatively and be responsible to the principal and president/head of school.

Ethical procedure demands that issues in the athletic program originating at any level shall proceed upwards through each office of responsibility, or, inversely, it shall follow the same channel of authority downward. To by-pass any office delays consideration and causes misunderstanding. The established channel of authority stems directly from the SCCS Board of Directors to the president/head of school, next to the principal, next to the athletic director, and then to the individual coach.

Athletic Affiliations

Ohio High School Athletic Association (OHSAA)

St. Mary Central Catholic High School and Sandusky Central Catholic Middle School are members in good standing with the Ohio High School Athletic Association (OHSAA) which serves as the authorized representative in the State of Ohio in the supervision and control of the interscholastic athletic activities of all member schools.

As members of OHSAA, our schools agree to abide by all of the state bylaws, rules, and regulations with special emphasis placed on those governing eligibility, age limitation, enrollment, attendance, scholarship, residence, transfers, recruiting, amateurism, conduct, character, and discipline of student-athletes. More information regarding the Ohio High School Athletic Association can be obtained online at www.ohsaa.org.

Sandusky Bay Conference (SBC)

St. Mary Central Catholic High School and Sandusky Central Catholic Middle School are very proud to be members of the Sandusky Bay Conference (SBC). Membership in the SBC requires that member schools comply with the constitution, bylaws, rules, and operational procedures of the league and the bylaws and sports regulations of the OHSAA. The SBC sets league game schedules for all levels of competition and is divided into three divisions for championship play.

Central Catholic Athletic Boosters

The Central Catholic Athletic Boosters (CCAB) serve as a non-profit volunteer organization working to promote positive parent and community involvement to maintain a high quality athletic program for our K-12 student-athletes. The quality and success of our athletic programs rely upon the continued support of the Panther community.

The high school athletic director shall act as the official liaison between the school and the CCAB. Athletic department personnel and parents of student-athletes are encouraged to join the CCAB.

Cheerleading

Cheerleading is considered a team sport within the SCCS Athletic Department and therefore will abide by the same guidelines accorded all SCCS athletes. Each cheerleader is expected to attend all practices, contests, fundraising activities, and other events as determined by the coach.

The primary goals as a cheer team are to promote and uphold school spirit, to develop good sportsmanship at all athletic events, and to represent our school in a positive manner at all times. For additional information about the cheerleading program at SCCS, please contact the cheerleading advisor or refer to the approved Cheerleading Code of Conduct.

Sportsmanship

The SCCS Athletic Department believes that interscholastic competition involving member schools of the OHSAA should be governed by the basic principles of good sportsmanship. The development of good sportsmanship, ethical behavior, and integrity is the foundation of our athletic program. To have a place in our educational system, athletics must be maintained with high ideals and even higher objectives. We expect all coaches, athletes, and spectators to exemplify the following fundamentals of good sportsmanship:

1. Show respect for self and others at all times.
2. Show respect for the officials. Good sportsmanship implies the willingness to accept and abide by the decisions of the officials.
3. Know, understand, and appreciate the rules of the contest. Good sportsmanship suggests the importance of conforming to the spirit as well as the letter of the rules.
4. Maintain self-control at all times. Prevent the desire to win from overcoming rational behavior.
5. Recognize and appreciate skill in performance regardless of team affiliation.

OHSAA Code of Ethics

It is the duty of all concerned with school athletics to:

1. Emphasize the proper ideals of sportsmanship, ethical conduct, and fair play.
2. Eliminate all possibilities which tend to destroy the best values of the game.
3. Stress the values derived from playing the game fairly.
4. Show cordial courtesy to visiting teams and officials.
5. Establish a happy relationship between visitors, officials, and hosts.
6. Achieve a thorough understanding of the rules of the game and the standards of eligibility.
7. Encourage leadership, use of initiative, and good judgment by players on the team.
8. Recognize that the purpose of athletics is to promote the physical, mental, moral, social, and emotional well-being of the individual players.
9. Remember that an athletic contest is only a game -- not a matter of life or death for player, coach, school, official, fan, state, or nation.

School Sponsored Sports

Sandusky Central Catholic School offers a comprehensive variety of athletic activities for prospective student-athletes. The following is a list of interscholastic sports presently available:

Boys Athletics

Fall Sports:

Cross Country
Football

Job Description

Title: Head Coach

Reports to: Athletic Director and Principal

Job Goals:

- To further the school's mission of strengthening the body, challenging the mind, and enriching the spirit of the student-athletes through guidance and instruction that will lead to the formation of Christian attitudes toward healthy competition.
- To instruct student-athletes in the fundamental skills, strategies, and physical training necessary for them to realize a degree of individual and team success.

Qualifications:

- Meet all certification requirements set forth by the Diocese of Toledo, Sandusky Central Catholic School, and the Ohio High School Athletic Association.
- Proper role model that coincides with the mission of Sandusky Central Catholic School.
- Previous successful coaching experience or a thorough knowledge of the technical and fundamental aspects of the assigned sport.
- An outstanding leader with effective communication skills.
- Ability to organize, supervise, and give direction to a sports team/program.

Performance Responsibilities:

I. Administrative

- Understand and follow the rules, regulations, and certifications set forth by all governing agencies.
- Understand the chain of command and refer all concerns through proper channels.
- Complete and submit required forms in a timely manner.
- Attend conference, state, and athletic department meetings as required.
- Attend clinics and other activities to improve coaching knowledge and performance.
- Recommend qualified assistant coaches for all levels of the program.
- Establish clear philosophy, goals, and direction for all coaches in the program.
- Assist athletic director with transportation departure times.
- Regularly monitor student-athletes academic progress and conduct.
- Understand and follow school/athletic codes of conduct.
- Maintain competency in rules and coaching techniques pertaining to the sport.
- Assist student-athletes in the college recruitment process.
- Communicate and work cooperatively with school administration.
- Plan and coordinate fundraising activities with administrative approval.
- Organize and promote summer programs (team/youth camps, leagues, etc.).
- Perform other related duties as assigned by the school administration.

Job Description

II. Planning and Preparation

- Develop an accurate team roster with all pertinent information.
- Ensure that all student-athletes have met all requirements to participate (Final Forms).
- Provide training rules to team members and follow due process procedures.
- Issue equipment and maintain accurate inventory list.
- Conduct a pre-season meeting and communicate expectations, procedures, and important season dates.
- Develop well-organized practice plans that includes fundamental skills.
- Plan a well-articulated program that includes conditioning and scrimmages to prepare the student-athletes for the season.

III. In-Season

- Use appropriate teaching, coaching, and motivational practices.
- Be prompt in meeting team for practices and contests.
- Dress in an appropriate manner for all functions.
- Utilize practice time for both individual and team development.
- Maintain fair and unprejudiced communication with players.
- Maintain suitable sideline conduct towards players, officials, and contest workers.
- Promote sportsmanship and maintain discipline throughout season.
- Provide proper supervision for student-athletes while under his/her jurisdiction.
- Facilitate and promote program for grades 4-6.
- Notify parent(s), contact trainer, and file report when injury to a team member occurs during practice or athletic contest.
- Keep athletic director informed of any facility/equipment safety concerns.
- Maintain effective public relations with media, school personnel, CCAB and all stakeholders.
- Promote positive school image and develop good community relationships.
- Instruct the student-athletes in the proper use and care of equipment.
- Maintain the security of the equipment, athletic facilities and building at all times.

IV. Post-Season

- Submit an awards list upon completion of the season (within 1 week).
- Collect, store, and account for all equipment inventory.
- Recommend equipment, uniform, and supply needs.
- Work cooperatively with trainer to develop a strength and conditioning program.
- Update individual, team, and season records.
- Attend banquets, assemblies, and awards presentations.
- Complete and submit evaluation of assistant coaches.
- Assist athletic director with future schedules.
- Submit an end-of-season summary form.

Job Description

V. Faith Related

- Maintain high moral character and promote Christian principles.
- Be a positive role model: display self-control and ethical behavior.
- Schedule opportunities for the team to attend Mass.
- Encourage prayer before and after practice/contests.
- Effectively implement the SportsLeader Virtue Program.
- Promote community service activities for student-athletes.

My signature signifies that I have reviewed the contents of my job description and that I am aware of the job goals of my position. I understand that I must maintain the qualifications requirements and will be evaluated annually in direct accordance with the performance responsibilities as stated herein.

 2. Submit end of season summary form.
 3. Submit coaching intent form.
 4. Discuss equipment/uniform needs, program concerns, assistant coaches and future schedules.
 5. Discuss and receive a copy of the coaching evaluation.

Athletic Policies and Procedures

Parent/Coach Communication

Both parenting and coaching are extremely challenging responsibilities. By establishing an understanding of each position, we are better able to accept the actions of the other and provide greater benefit to our student-athletes. For our athletic department to be successful, open lines of communication are vital. This requires involvement, dedication, sacrifice, and commitment from parents, student-athletes, and coaches.

Communication you should expect from your child's coach

- Philosophy of the coach
- Expectations for your child as a member of the team
- Locations and times of all practices and contests
- Team requirements (fees, forms, rules, equipment, off-season conditioning)
- Procedures for injuries
- Discipline that results in your child's denial to participate

Communication coaches expect from parents

- Concerns expressed directly to the coach
- Notification of any schedule conflicts well in advance
- Specific concerns in regard to coach's philosophy and/or expectations

Appropriate concerns to discuss with coaches

- The treatment of your child, mentally and physically
- Ways to help your child improve
- Concerns about your child's behavior

Issues not appropriate to discuss with coaches

- Playing time
- Team strategy
- Play calling
- Other student-athletes

Appropriate procedure for discussing concerns with coaches

- A personal meeting between the student-athlete and the coach (**Recommended**)
- If a meeting between the student-athlete and coach does not result in a satisfactory resolution, contact the coach to set up an appointment (**Please do not confront the coach before or after a practice or contest.**)
- If unable to reach the coach, contact the athletic director for assistance
- If a meeting with the coach does not result in a satisfactory resolution, contact the athletic director to set up an appointment
- Determine the next appropriate step if necessary

Code of Conduct

The Athletic Code of Conduct applies to all students (grades 7-12) who voluntarily agree to participate in interscholastic athletics at Sandusky Central Catholic School. This policy is in effect on a 24/7/365 basis on and off school property.

As a member of an athletic team, our student-athletes are direct and important representatives of SCCS and the tradition of Panther pride that it symbolizes. Student-athletes are in a position of influence among their peers and with younger students as well as others within the community. Therefore, they are expected to be positive role models and demonstrate appropriate leadership on and off the field of competition.

The expectation is that student-athletes are respectful at all times and accept the full responsibility assumed as a member of an athletic team. Conduct should be above standard in all situations. Any conduct that results in dishonor of the student-athlete, the team, or the school will not be condoned. Acts of unacceptable conduct tarnish the reputation of everyone associated with Panther athletics and SCCS.

Bullying and Hazing

Bullying means any repeated intentional written, verbal, electronic, or physical act that:

1. Mentally or physically harms a student or damages the student's property; or
2. Has the effect of substantially interfering with a student's education; or is so severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment; or
3. Has the effect of substantially disrupting the orderly operation of the school.

Hazing is defined as any act of coercing another, including the victim, to do any act of initiation to any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person. Permission, consent, or assumption of risk by an individual subjected to hazing does not lessen the prohibition contained in this policy.

False reports or retaliation for bullying and/or hazing also constitutes violations of this policy.

Social Media

The use of email messages, text messages, blogs, social media websites and/or app based programs, or other electronic communications by a SCCS student-athlete or his/her parents to make inflammatory or derogatory comments and/or inappropriate descriptions or pictures/videos regarding themselves or anyone else, including adults, is strictly prohibited. Violations of our social media policy will result in disciplinary action.

Discipline

1. Harassment, intimidation, bullying, hazing, physical or verbal abuse/assault, misuse of social media, immoral conduct, profanity, offensive gestures, stealing, cheating, disruptive conduct, vandalism, gambling, possession or use of a dangerous weapon or object, unsportsmanlike conduct, or any other unacceptable actions will not be tolerated.
2. If at any time or at any place, a student-athlete is involved in any of the above behaviors, his/her actions will be dealt with by the head coach and/or athletic director in consultation with the principal. Violations of a criminal or civil nature will be dealt with as prescribed in the SCCS Family Handbook.
 - a. Punishment may include, but is not limited to, extra duty assigned by the head coach, suspension from athletic contest(s), and dismissal from the team. Dismissal from the team requires approval from the athletic director and/or principal.

Expected Behavior

1. All coaches, team members, parents, and spectators are expected to conduct themselves in a Christian-like manner.
2. A coach, team member, parent, or spectator guilty of any flagrant or unsportsmanlike behavior is subject to disciplinary action. This may include suspension for one contest, the remainder of the season, or permanently. In addition, the OHSAA Ejection Rule will be followed.
3. All coaches, team members, parents, and spectators must realize these are school sponsored events. Severe violations such as physical contact, verbal threats, etc. will be taken seriously and referred to the appropriate law enforcement agency.

Individual Team Rules

Coaches may establish a set of team rules for his/her respective sport in addition to the Athletic Code of Conduct. Team rules and penalties for violation must be given in writing to all team members and explained fully at the start of the season. The rules will be approved by the athletic director and kept on file in the athletic office.

Personal Appearance

Student-athletes must meet the school dress-code regulations in regards to personal grooming (hair style, hair color, facial hair) and dress. Student-athletes may be withheld from athletic competition by the head coach, athletic director, or principal if his/her personal grooming and dress do not positively represent SCCS.

Tattoos/Piercings

SCCS will have no student-athlete represent our school with any artificial body markings (tattoos) or body piercings visible during any scheduled athletic contest. An artificial body marking or body piercing must be covered with a T-shirt (if legal in that sport), bandages, tape, socks, etc. If an artificial body marking or body piercing becomes visible during a scheduled athletic contest, the coach must remove the student-athlete from the contest immediately.

Absenteeism

1. Practice Absenteeism – Coaches must include regulations on tardiness or practice absenteeism in his/her individual team rules.
2. School Absenteeism – It is the school's policy that student-athletes need to be in school and attending classes.
 - a. In order to practice for and participate in athletic contests, for a given day, student-athletes must be in school and attending classes not later than 9:00 am.
 - b. Students must remain in school the entire day, unless excused by the athletic director. If a student-athlete is too ill to attend classes, he/she should not be permitted to take part in any athletic practices or contests that day.
 - c. Exceptions:
 1. Doctor's appointments
 2. Funerals
 3. College visits
 - d. Student-athletes are expected to be in school on time. Late night contests grant no privilege for the student being late for school the next day.
 - e. Approved Absences – A student-athlete shall not be penalized by a coach or withheld from competition for missing practice or a game to attend a school sanctioned event. i.e.: Model U.N.
 1. **Special Note:** this would not apply to approved personal absences such as a family vacation.
 2. Student-athletes must give the coach a 1 week notice of any conflicts.

Use or Possession of Alcohol, Drugs, and Tobacco

A student involved in athletics at SCCS shall not use, purchase, sell, distribute, or possess alcohol, tobacco in any form, vape pens, e-cigarettes, steroids, counterfeit drugs, illegal drugs, and drug related paraphernalia. **Student-athletes who possess and/or use medication prescribed by a licensed practitioner must follow the school's established guidelines.** If at any time or at any place, a student-athlete is involved with any of the above illegal substances he/she is in violation of the Athletic Code of Conduct and will be subject to the following disciplinary action:

Use or Possession of Alcohol, Drugs, and Tobacco Continued

First Offense

1. Notify parents and arrange a conference
2. The student-athlete and his/her parents must meet with the SCCS Administrative Team.
3. The student-athlete must undergo assessment by a licensed professional if deemed necessary by the administrative team.
4. The student-athlete will be suspended for at least 20% of the scheduled contests for the current athletic season and the suspension will carry over into the next sport. Four (4) hours of community service on school property is also required. Students not currently in a sport will face suspension during their next season of participation.

Second Offense

1. Notify parents and arrange a conference.
2. Require student-athlete to participate in an assessment and drug-alcohol education program through an agency approved by SCCS.
3. Assign student a consequence, as outlined by the SCCS Family Handbook.
4. The student-athlete will forfeit the current athletic season plus the next two seasons (whether or not the student-athlete participates) and be required to perform 10 hours of community service on school property. The last day of the school year is considered to be the end of the spring season. The fall sports season begins the next day. The student-athlete must forfeit any individual athletic awards, including letters earned and conference awards for the current season.

Third Offense

The third offense is a flagrant violation of school policy and could result in the student's expulsion from SCCS. The minimum disciplinary action to be taken will be:

1. Suspend the student-athlete from school for a minimum of three days.
2. Require the student-athlete to participate in a drug-alcohol education program through an agency approved by SCCS.
3. Prohibit student from any further athletic competition or participation of any kind while a student at SCCS. The student-athlete will forfeit all forthcoming awards, including varsity letters and conference awards.

Eligibility

Academic

We strive, as a school, for academic excellence. To be eligible to participate in interscholastic athletics, grades 7-12, all student-athletes will be required to meet certain standards established by the Ohio High School Athletic Association and Sandusky Central Catholic School. These standards are as follows:

OHSAA Eligibility Requirements

OHSAA Bylaw 4-4-1

1. High School
During the preceding grading period, the student must have received passing grades in a minimum of five (5) one-credit courses, or the equivalent, which count toward graduation.
2. Junior High
A student enrolling in the seventh grade for the first time will be eligible for the first grading period regardless of the previous academic achievement. Thereafter, in order to be eligible, a student in grade 7 or 8 must be currently enrolled in school the immediately preceding grading period and received passing grades during that grading period in a minimum of five (5) of those subjects in which the student received grades.
3. High School and Junior High
The eligibility or ineligibility of a student continues until the start of the fifth school day of the next grading period, at which time the grades from the immediately preceding grading period become effective.
4. High School
A student enrolled in the first grading period after advancement from the eighth grade must have passed a minimum of five (5) subjects carried the preceding grading period (the last grading period of 8th grade) in which the student was enrolled.
5. High School and Junior High
Summer school grades and other educational options may not be used to substitute for failure to meet the academic standards during the last grading period of the school year.

SCCS Eligibility Requirements

In addition to the OHSAA eligibility requirements, SCCS student-athletes must:

1. Maintain a GPA of 1.7 or higher.
2. Have no more than 1 **F** per grading period.

Note: Ineligible student-athletes may continue to practice and condition with the team. However, he/she may not participate in any competition, performance, or team activity.

Student-Athlete Conduct

1. Any student-athlete may be put on probation, suspended for a period of time, or dismissed from a team for violating the behavior standards as set forth by SCCS, the Athletic Code of Conduct, or a coaches individual team rules.
2. Any student-athlete serving an in-school or out-of-school suspension is ineligible for practice and/or competition on the day(s) of the suspension.
3. Any student-athlete quitting or dismissed from an interscholastic sport team shall not be eligible to try out for any other interscholastic sport team during the same season.
4. Any student-athlete who quits or is dismissed from an interscholastic sport team may not participate in workouts for an upcoming interscholastic sport without the consent of both coaches involved, with final approval by the athletic director.
5. Exceptions:
 - a. Any student-athlete cut from an interscholastic sport team during the try out period may try out for another interscholastic sport team during the same season.
 - b. Any student-athlete producing verification to the athletic director from a physician that he/she can no longer participate in an interscholastic sport for medical reasons may be allowed to try out for another interscholastic sport team during the same season or participate in workouts for an upcoming interscholastic sport with a physician's approval.

Dual Sport

High school student-athletes are permitted to participate on two sport teams during the same OHSAA defined sports season. The head coaches of both sport teams involved, the athlete, and his/her parents must all agree to the terms of participation as listed below, as well as written practice and contest schedules.

1. The student-athlete must make application to the athletic department for consideration before the first appointed date of practice set by the OHSAA.
2. The student-athlete must have a minimum of a 2.25 GPA to be eligible and maintain this status for all grading periods to follow.
3. The student-athlete must declare a primary sport, indicating which sport will take precedence in the case of conflicts on days of competition. This designation cannot be changed during the season.
4. In the event that a student-athlete is disciplined for any violation in a specific sport, the consequence will also be applied to the second sport in the season of dual participation.
5. This policy **does not apply** to student-athletes below the ninth grade level.

Transfer Student

A transferring student must be ruled eligible by OHSAA rules.

OHSAA Bylaw 4-7-2

If a student transfers at any time after the fifth day of the student's ninth grade year or after having established eligibility by playing in a contest (scrimmage, preview/jamboree, Foundation game or regular season/tournament contests), the student shall be eligible, insofar as transfer is concerned, for **ONLY** the first 50% of the maximum allowable regular season contests (including all scrimmages, preview/jamboree/Foundation games) **in those sports in which the student participated** (participation being defined as playing in a contest) during the 12 months immediately preceding this transfer. This transfer consequence shall remain in effect until the one-year anniversary of the date of enrollment in the school to which the student transferred, at which time the student is no longer considered a transfer student.

After the first 50% of the maximum allowable regular season contests have been completed, the student shall **then become INELIGIBLE for the remainder of the regular season contests**. Furthermore, the student **shall also remain ineligible to participate in the OHSAA sponsored tournament(s) in those respective sports** until the one-year anniversary of the student's date of enrollment. A student who did not participate in an OHSAA recognized sport in the 12 months immediately preceding the transfer is not subject to the consequence of this transfer bylaw. For **exceptions** to the transfer rules please visit www.ohsaa.org.

Requirements for Participation

Before a student-athlete will be permitted to participate in practice, the following required documents must be completed in **FinalForms**:

1. OHSAA PPE Physical Form
 - a. All student-athletes are required to be examined by a physician once per year and provide a completed physical form to be kept on file in the athletic office.
 - b. All parents of student-athletes must complete the OHSAA Authorization Form.
2. Emergency Medical Form
 - a. All parents of student-athletes must complete an Emergency Medical Form. A copy of this form will be carried by the coach to all practices and contests.
3. Athletic Information & Approval Form
 - a. All parents of student-athletes must complete the Athletic Information and Approval Form. Student-athletes must agree to abide by eligibility and training rules.
4. Sudden Cardiac Arrest Awareness Form
 - a. All student-athletes and parents must view a video presentation and complete the form concerning sudden cardiac arrest awareness.
5. Concussion Acknowledgement Form
 - a. All student-athletes and parents must complete and sign the Ohio Department of Health Concussion Information Form.
 - b. All parents of student-athletes must complete the ImPact Testing Consent Form.
6. Transportation Release Form
 - a. All parents must complete the Transportation Release Form and provide a current copy of car insurance information in order for a student-athlete to be released from riding in school transportation to or from sporting events.

OHSAA Pre-Season Meeting

OHSAA Bylaw 3-1-4

No later than two weeks after the beginning of each sports season, the principal, through his/her athletic administrator, coaches and such other personnel as deemed advisable by said principal, shall conduct a mandatory, preseason meeting with all student-athletes who wish to participate in the upcoming sports seasons and their parents.

Team Selection

It is our desire to have maximum student participation in our athletic program at SCCS and coaches are encouraged to keep as many team members as possible without compromising the integrity of their sport. The team selection standards are as follows:

1. The coaching staff of each sport has the sole responsibility of choosing members of the team, determining the level of play, and the amount of playing time.
2. The coach may use tryouts to choose the members of the team.
3. Prior to tryouts, the coach shall provide the following information to all candidates:
 - a. Extent of the tryout period
 - b. Criteria to be used to select the team (knowledge, skills, attitude, etc.)
 - c. Number to be selected
 - d. Practice and contest commitments
4. If squad cuts are necessary, each candidate shall:
 - a. Have completed a predetermined number of practice sessions.
 - b. Be personally informed of the cut by the coach (cut lists are not to be posted).
 - c. Be informed of individual improvement techniques by the coach.
5. Multiple teams may be created at the middle school level to accommodate larger numbers of student-athletes.
6. Late admission to any team will be permitted under the following conditions:
 - a. A conference must be held with the athlete, parent, and coach.
 - b. If approved, the coach will determine when the athlete is ready for competition.

Game Day Dress Code

Student-athletes are a visible representation of the school. Therefore, the student-athlete's attire and well-groomed appearance at his/her sport's competition will be appropriate for students at SCCS.

Practice Sessions

Sport team participants must meet all requirements prior to the first practice and are required to attend all scheduled practices unless granted special permission by the coach. Practices should be governed by the following standards:

1. All participants should receive timely practice schedules.
2. Practice sessions should be scheduled so as to create the minimum amount of daily conflict with school/family activities of the participants.
3. There is to be no practice for sports teams before 1:00 p.m. on Sunday.
4. Practice sessions must conclude by 9:00 p.m.
5. Proper practice attire should be worn at all times.
6. Coaches should be the first to arrive and the last to leave a practice session.
7. Players are not to be in the building or at the practice site **unsupervised**.
8. Players are not to practice without a coach present.
9. All equipment used during a practice session shall be returned to the proper storage area and the practice site must be cleaned of debris.

In the event that practice sessions are held inside of our school facilities, the coaching staff shall instruct team members to enter and exit through the designated outside doors. The last coach to use the school facility will secure the lights and outside doors.

Cancellations Due to Weather

Athletic Contest

In the event of a school closing or early dismissal, all middle school athletic events and practices will be canceled. However, varsity, junior varsity, and freshmen level athletic activities may still take place later that evening, weather permitting. The decision to cancel scheduled contests will be made by the athletic directors, in cooperation with administrative representatives from the competing district(s).

Athletic Practice

In the event of a school closing, athletic practices may be held after 12:00 p.m. if the practice site and road conditions are deemed safe. The decision to conduct athletic practices will be made by the head coaches of each sport in consultation with the athletic director. The student-athletes will be notified of the decision as early as possible. These are optional workouts and coaches will not penalize a student-athlete for lateness or missing a practice in these situations.

The determination to attend practice will be left up to the parents. The safety of our student-athletes is of the utmost importance. **Practices will not be permitted if a level 2 or level 3 for road conditions is issued by a law enforcement agency.**

Vacations

Vacations by student-athletes during an OHSAA defined sports season are disruptive to the team and thus discouraged. Those wishing to schedule a vacation during a sports season need to evaluate the commitment necessary to participate on an interscholastic athletic team.

Family Vacations

If a student-athlete plans to go on a family vacation during an OHSAA defined sports season it will be treated as an approved personal absence. The student-athlete will remain on the team. However, he/she must:

1. Inform the head coach well in advance of the vacation period.
2. Be willing to accept denial of participation for an equal amount of interscholastic contests missed. If no contests are missed, upon returning the student-athlete must participate in 2 practice days with the team before resuming competition. In this situation, a contest day counts as a practice day.
3. Be willing to assume any consequences related to his/her status on the team.

Non-Family Vacations

Student-athletes who plan to go on a non-family vacation during an OHSAA defined sports season will be dismissed from the team due to an unapproved personal absence. A conference with the coach is highly recommended prior to making this decision.

Athletic Injuries

In the event of an athletic injury, the athletic trainer is the primary responder and directs the course of action unless a physician is present. In the event the athletic trainer is not present, the coach in charge of the activity is to assume responsibility. An Injury Report Form must be completed by the trainer/coach within 24 hours of the injury.

When an injury appears to be of a serious nature, a 911 call for emergency care should be made immediately. The athlete's parents should be notified by the coach or athletic trainer. If the parents are not available, a member of the coaching staff should accompany the injured athlete with the emergency medical form in his/her possession.

At away contests, if the athletic trainer is not present, the host school medical personnel are in control. If no medical personnel are present, members of the coaching staff are instructed to act within the scope of their first aid education and, if warranted, call for emergency care.

After an injury, an athlete may not return to competition without clearance of the athletic trainer. If an athlete has been referred to a hospital emergency facility or to a physician, the athlete is required to bring any and all written medical clearance notes from the doctor that states they are cleared to return to participate.

Concussion Protocol

Concussions are a common problem in sports and have the potential for serious complications if not managed correctly. Even what appears to be a minor injury has the real risk of catastrophic results when an athlete is returned to action too soon. Outlined below is the 5 day protocol for return to play after the student-athlete is cleared by a physician.

Day 1 - Light conditioning monitored by the trainer

Day 2 - Light conditioning and light weightlifting monitored by the trainer

Day 3 - Light practice with the team

Day 4 - Full participation in practice

Day 5 - Return to play

The athlete must remain asymptomatic to progress to the next level. If symptoms recur, the athlete must return to the previous level.

Senior Night

Recognition of our SCCS senior student-athletes will occur at the last home contest for each individual sport. The student-athletes and their parents will be recognized prior to the start of the contest. The procedures for senior night are as follows:

1. The student-athletes shall complete and submit the Senior Night Biography form to the athletic office.
2. A brief overview from the biography form will be announced for each senior.
3. The athletic department will provide flowers for the mothers of SCCS student-athletes.
4. The athletic department will provide flowers for senior female players of our opponents.
5. Parents of SCCS senior student-athletes are responsible for any gifts given to their son/daughter.
6. The individual sport teams are responsible for supplying a photographer.

Awards Programs

It is important to recognize student-athletes for their hard work, dedication, and effort when participating in the SCCS athletic program. At the conclusion of each sports season, an awards program will be held to honor the student-athletes in the presence of their team, families, and friends. The date, time, and format for each program will be determined by the athletic director and are subject to change.

Athletic awards programs are recognized as official school functions. As such, proper attire and a well-groomed appearance is required. Attendance is mandatory for the student-athletes and failure to attend without permission from the head coach may result in the forfeiture of any award.

Awards

To earn an athletic award, the student-athlete must complete the season in good standing, which includes attending the post season awards program, returning any school issued uniforms/equipment, and maintaining eligibility and behavioral expectations.

The requirements for an athlete to earn a varsity letter are established by the head coach of each sport. The coach's criteria for such awards must be submitted and approved by the athletic director prior to the start of the season.

Awards List

The following awards are approved for each sport:

1. Numerals
2. Participation Certificates
3. Varsity Letters
4. Four Year Gold Pass
5. Most Valuable Player Award
6. Most Improved Player Award
7. Coaches Award
8. SportsLeader Virtue Award
9. Conference, District, etc. Awards

Any deviation from the above list must be approved by the athletic director.

Special Notes:

1. Coaches reserve the right to overrule any team voting.
2. Multiple awards are permitted if agreed upon by the head coach and athletic director.

Senior Awards

1. Lee Zierolf Award
 - a. This award is presented to the outstanding student-athlete of the senior class. Nominees must meet the following criteria:
 1. Upper 1/3 of the senior class with a minimum "B" average.
 2. Outstanding leadership, citizenship, and exemplary character.
 3. Exhibits athletic prowess.
2. Senior Plaques
 - a. All seniors that participated in a sport while attending SMCC will receive a plaque denoting their athletic accomplishments.
 - b. All seniors are required to complete and return the information form to the athletic office in order to receive their plaque.
 - c. Senior plaques are donated by the CCAB.

Transportation

Student-athletes, coaches, and other team personnel are expected to travel in authorized SCCS vehicles when a contest has been scheduled away from the school site. Members of the athletic staff feel it is in the best interest of team unity that everyone travel together and share the game experience. As the “guardian” during these trips, it is also important that the coaching staff account for each student-athlete and insure their safe whereabouts.

The athletic director shall be responsible for making transportation arrangements for all athletic teams. The head coach shall be given a tentative transportation schedule to review. All changes must be made through the athletic office. All team members shall be informed of the time of departure and estimated time of return.

It is expected that our student-athletes will conduct themselves appropriately while traveling in authorized SCCS vehicles. All regular bus/van rules will be in effect, including rules pertaining to food, noise, remaining in seats, care, and respect for equipment.

The SCCS Athletic Department will not be responsible for transporting student-athletes to offsite places of practice. Also, the department will not be responsible for student-athletes who transport other student-athletes.

Transportation Release

In the event of extenuating circumstances, exceptions may be granted by the athletic director if a parent wishes to take responsibility for transporting their child. The athletic department must be notified 24 hours before the contest. A Transportation Release Form will be completed in **FinalForms** prior to the school year.

In an emergency situation, the head coach may release a student-athlete from school transportation requirements, provided the parent or parent designee (minimum age 21) makes a personal request at the site.

Breakdowns and Accidents

In the event of a vehicle breakdown or accident, the driver has been instructed in the proper procedures to follow. When a vehicle breakdown or accident occurs, it is the responsibility of the coaching staff to provide for the supervision and protection of the student-athletes, including tending to any injuries.

1. Student-athletes should remain together and in the vehicle unless instructed otherwise by the driver or other authority, e.g., police.
2. Coaches should remain with the student-athletes at all times.
3. Coaches should contact the athletic director at the first available opportunity.
4. Student-athletes should contact their parents by cell phone.

Adding a New Sport

At Sandusky Central Catholic School, our mission is to provide a quality based, comprehensive program to allow all students the opportunity to participate in one or more athletic activities throughout the school year.

The process of adding a sport would start by petitioning the athletic department of SCCS. To add a new sport, the following criteria must be met:

1. Adequately funded. This would include multiple years in to the future.
2. Has sufficient numbers of interested participants without affecting other established sport teams.
3. Provides proper facilities for contests and practice.
4. Ability to hire a qualified coaching staff.
5. Ability to provide required equipment.
6. Has an adequate source of competition within a reasonable travel distance.
7. Has community support.
8. Supports the vision and mission of our school.

The intended new sport must be included in the Ohio High School Athletic Association roster of sanctioned championship sports. Additionally, it is highly recommended that the additional sport in question be recognized by the Sandusky Bay Conference.

After all of the above-required items have been met, the athletic director would present a recommendation to the Board of Directors for their consideration. In their decision, the Board could mandate operation of the new sport as a “club” sport or extracurricular activity for a probationary period of time. At the conclusion of that probationary period, a decision could be made to continue club status, approve varsity status, or eliminate the activity all together. In any case, all decisions made by the Board of Directors shall be final.

Club Sports

From time to time, non-varsity sports are offered for participation at Sandusky Central Catholic School. These sports are sponsored by, and administered under the guidelines as spelled out in this handbook. All sections of this handbook apply to all approved club sports.

Currently there are two approved club sports offered at SCCS: The Panther Amateur Wrestling Club (PAW) and The Panther Baseball Club. To add a club sport, the same criteria for establishing a new sport must be met.

Athletic Department Forms

SMCC Dual Sport Application

It is the intention of the student-athlete named below to participate in two sports during the same season. In order for this to occur, the following stipulations must be met in accordance with SCCS policy.

1. The process must be initiated by a scheduled conference with the athletic director.
2. The student-athlete must make application to the athletic department for consideration before the first appointed date of practice set by the OHSAA.
3. The student-athlete must have a minimum of a 2.25 GPA to be eligible and maintain this status for all grading periods to follow.
4. The student-athlete must declare a primary sport, indicating which sport will take precedence in the case of conflicts on days of competition. This designation cannot be changed during the season.
5. In the event that a student-athlete is disciplined for any violation in a specific sport, the consequence will also be applied to the second sport in the season of dual participation.
6. This policy **does not apply** to student-athletes below the ninth grade level.

Name of Student-Athlete: _____

Primary Sport: _____

Secondary Sport: _____

Signature of Student-Athlete Date

Signature of Parent/Guardian Date

Signature of Head Coach-Primary Date

Signature of Head Coach-Secondary Date

Signature of Athletic Director Date

Signature of Principal Date

**Sandusky Central Catholic School
Athletic Injury/Incident Report Form**

Date of Accident: _____

Time of Accident: _____

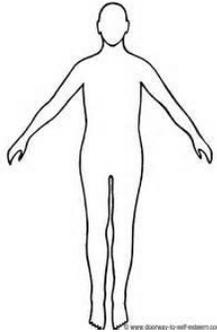

Location of Accident: _____

Name of Person Injured: _____

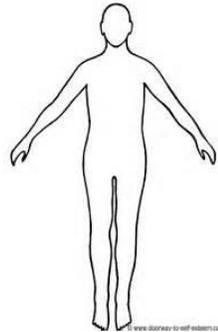

Sport: _____ Grade: _____

Body Part Injured: _____

Front of Body

Back of Body

Description of Accident:

First Aid Given: _____

By Whom: _____

Parent/Guardian Notified: Yes No

Time Notified: _____ Who did you speak with: _____

Person completing the report: _____

Signature: _____ Date: _____

Administrator's signature: _____ Date: _____

Guidelines for the Form:

1. A form is to be filled out when a student is injured during a school sponsored activity.
2. A form is to be completed in those instances serious enough to require a call to the parent and/or those instances requiring medical treatment.
3. The form is to be completed by the person supervising the activity or the person giving first-aid.
4. When medical treatment is recommended or a parent determines that they will seek medical attention, the parent will be encouraged to submit a follow up report to the school.
5. The form should be reviewed and signed by an administrator and kept on file.
