September, 2013

Dear Parents,

The Garden City School District has always been committed to providing a supportive, nurturing and safe environment for all students. As of July 1, 2012, New York State has implemented new legislation, known as the Dignity for All Students Act (DASA). The goal of the Dignity Act is to create a safe and supportive school climate where students can learn and focus, rather than fear being discriminated against and/or verbally and/or physically harassed. In support of this goal, we have attached a brochure containing resources, the names of contact staff members (Dignity Act Coordinators), and an age appropriate code of conduct. Please discuss the enclosed expectations for school conduct with your child. Following this conversation, sign the acknowledgement below that your child has reviewed, and will abide by the code of conduct. **Please return the tear off to the Main Office.**

Thank you for your support in promoting a safe and respectful school climate.

Sincerely,

Mr. Dave Perrotta
Assistant Principal

Mr. Kevin Steingruebner
Assistant Principal

Ms. Lori Kuster
Social Worker
